ND career builders
Scholarship & Loan Repayment

We are seeking businesses to participate in this unique partnership!

The ND Career Builders program is designed to fill in-demand positions at your business and grow workforce across the state. Driven by high-demand occupations in healthcare, manufacturing, IT, industrial and skilled trades, education, social services and professional services, businesses can contribute matching funds to specific colleges, programs, and students to help meet their workforce needs. It is a win-win for businesses, students, employees and the State.

Your matching fund contributions are matched dollar-for-dollar by the State of North Dakota, up to a total of $17,000 per recipient! Individuals can receive a scholarship while enrolled in college or student loan repayment once employed for their commitment to fill a high-demand occupation in North Dakota.

Be part of the solution to keep talent in ND.
Donate, participate or learn more about the ND Career Builders Scholarship & Loan Repayment program at **NDUS.edu/career-builders** or contact NDUS directly at 701-328-2906 or at ndfinaid@ndus.edu.

I believe other organizations should invest in Career Builders because, as the saying goes, these kids are our future. If we can't recruit our own to work and live in our community, we may lose great people and great businesses years down the road.
